

WORKSHOP GUIDE

CRAINE COUNSELING AND CONSULTING GROUP

LEARN THE 5 PILLARS FOR NAVIGATING THE SOCIAL WORK ETHICS MAZE

What “Pillars” of information should social workers consider when navigating ethical issues/dilemmas? The foundation of the practice of social work is ethics. We empower you on your journey navigating most ethical issues/dilemmas using The Craine Method.

LEARN ETHICAL AND LOGISTICAL CONSIDERATIONS WITH INFORMED CONSENT

What constitutes valid informed consent? We help you explore the ethical and logistical considerations around informed consent and how to better protect yourself and your clients using The Craine Method.

LEARN ETHICAL CONSIDERATIONS REGARDING THE USE OF TECHNOLOGY

How can technology be used in the practice of social work? We help you develop a social work practice that uses technology in an ethically appropriate manner using The Craine Method.

LEARN ETHICAL CONSIDERATIONS FOR WORK WITH CHILDREN AS RELATES TO DIVORCE AND CUSTODY

Do you know the best practices for work with children and adolescents when it comes to things like informed consent or even agreeing to work with these clients? We help you look at these issues, and more, using The Craine Method.

OTHER TOPICS OFFERED: SUBPOENAS, MACRO ETHCS, HISTORY OF MEDICAL MARIJUANA IN THE US AND ETHICAL CONSIDERATIONS, THE ROLE OF INTEGRATIVE MEDICINE AND ETHICS.
